Storage Receipt and Delivery Points

Receipt Point: MichCon Generic (subject to availability) OR a specific DTE Gas interconnect.

MichCon Generic is a collection of major points on DTE Gas Company's system and is the point traded on ICE (for more information, see <http://mcsts.dteenergy.com/pdfs/michconGenericPoints.pdf>).

If participants are buying MichCon gas to inject into storage, we recommend they choose MichCon Generic as their storage Receipt Point.

If participants are using upstream pipeline capacity to move gas to DTE Gas for injections, we recommend they choose the specific pipeline interconnect as their storage Receipt Point.

Delivery Point: Willow MCGC Trading Point OR a specific DTE Gas interconnect.

Willow MCGC Trading Point is the on-system storage point and is a MichCon Generic point - customers can withdraw from storage and sell MichCon Generic directly at this point.

If participants are using downstream pipeline capacity to move gas off system on withdrawal, we recommend they choose the specific pipeline interconnect as their storage Delivery Point.

See the Open Season Bid Form for valid Receipt and Delivery Points.

More information about DTE Gas storage services, including tariffs and contracts, can be found at <http://mcsts.dteenergy.com/>. All customers will be required to sign DTE Gas Company's General Services Agreement (GSA), an Interruptible Balancing Service (IBS) and an Intrastate or Interstate Storage Agreement. Examples of all of the above can be found at <http://mcsts.dteenergy.com/forms.html>.

All services provided by DTE Gas are subject to the rates, terms and conditions of applicable regulatory tariffs. DTE Gas Company reserves the right to make its acceptance of the offer conditional upon receiving reasonable financial assurances for the obligations pursuant to this offer, if deemed necessary.

DTE Gas Company reserves the right to reject any and all bids for any reason whatsoever.

Please submit your offer under the above terms and conditions by signing this Letter Agreement and indicating the Price and Maximum and Minimum Quantities desired.

Bid forms must be returned by email to Julia Huffman huffmanj@dteenergy.com no later than 12pm Eastern Time on Tuesday, February 16, 2016.
