

## Daniel G. Brudzynski

Vice President, Gas Sales & Supply  
DTE Energy

Daniel G. Brudzynski is vice president of Gas Sales & Supply for DTE Gas, DTE Energy's natural gas utility which provides service to 1.2 million homes and businesses in Michigan. DTE Energy (NYSE:DTE) is a Detroit-based diversified energy company involved in the development and management of energy-related businesses and services nationwide. Its operating units include an electric utility serving 2.1 million customers in Southeastern Michigan and a natural gas utility serving 1.2 million customers in Michigan. The DTE Energy portfolio includes non-utility energy businesses focused on power and industrial projects, natural gas pipelines, gathering and storage, and energy marketing and trading. As one of Michigan's leading corporate citizens, DTE Energy is a force for growth and prosperity in the 450 Michigan communities it serves in a variety of ways, including philanthropy, volunteerism and economic progress.

Brudzynski is responsible for the procurement and delivery of natural gas to DTE Energy's supply customers, and the associated nomination, measurement and control functions. He also is charged with leading the sales and marketing efforts in delivering gas and related services to all customers, from residential through large industrial, including the sale of wholesale storage and transportation services to large non-franchise customers. This also includes responsibility for the CNG vehicle program and the company's Appliance/HVAC warranty programs.

Brudzynski joined the company in 1997 as assistant controller and has served in multiple capacities. He served in a Vice President role as Corporate Controller, Treasurer and head of DTE's Regulatory Affairs. Prior to joining the company, Brudzynski worked for Chrysler Corporation's Controller's Office in a variety of financial-related positions. He also worked in the commercial lending division of First of America Bank as a commercial credit analyst.

Brudzynski earned a bachelor of science degree in finance and accounting from Wayne State University and a master of business administration degree from the University of Detroit. He serves on the board of directors of Focus:HOPE.
