

### **Joseph Musallam**

Vice President, Distribution Operations  
DTE Energy

Joseph Musallam is the vice president of Distribution Operations for DTE Energy. Musallam oversees operations of the company's electrical system, including system and reliability planning, new customer connections, electrical engineering, construction, tree trimming and emergency responsiveness.

Musallam has been with DTE Energy for 13 years. Prior to his current role, Musallam was director of Regional Customer Operations where he was responsible for overhead, underground and regional engineering for Electric Field Operations. He has also served in leadership positions in a number of areas, including director of Electric Distributing Operations, Industrial Engineering and Gas Control & Planning.

Musallam earned a Bachelor of Science degree in Electrical Engineering from The University of Michigan and a Master of Business Administration degree from The University of Michigan.

DTE Energy (NYSE: [DTE](#)) is a Detroit-based diversified energy company involved in the development and management of energy-related businesses and services nationwide.
