

**Patrick Lee**

Vice President and Chief Tax Officer
DTE Energy

Patrick Lee is vice president and chief tax officer for DTE Energy. Lee joined DTE in 2010 as a general attorney. In his 10+ years at DTE, he has served in multiple leadership positions, including chief tax officer and director of tax planning.

Prior to joining DTE, he worked in the mergers and acquisitions practice for Ernst & Young and for a national law firm based in Detroit. He also served as an attorney-adviser to the US Tax Court in Washington D.C.

Outside of DTE, Lee is an active member of the American Gas Association and Edison Electric Institute, Michigan Manufacturing Association and the Michigan Chamber of Commerce tax sections. He is also an active member of his community and has been coaching little league baseball since 2012.

Lee graduated with a Juris Doctorate degree, with honors, from Case Western University, and received a Bachelor's degree in Business Administration from the University of Michigan, Dearborn.

DTE Energy (NYSE: DTE) is a Detroit-based diversified energy company involved in the development and management of energy-related businesses and services nationwide.
