

Tony Tomczak

Vice President, Electric Sales & Marketing
DTE Energy

Tony Tomczak is the vice president of Electric Sales and Marketing for DTE Energy. Tomczak is responsible for developing and executing marketing and sales growth value add programs including Major Accounts, Community Lighting and Joint Use Businesses. Economic Development and business attraction is a vital and important responsibility of Tomczak's role along with promoting and supporting customers in the transition to Electric Vehicles and Electrification.

Tomczak joined DTE Energy in 2006. He most recently served as vice president of Corporate Services and chief procurement officer where he was responsible for strategic management of the company's procurement, supplier performance management, warehousing, fleet, facilities and real estate organizations.

Prior to that position, served as director of Supply Chain Management where he was responsible for all non-fuel purchases, materials planning, contract development and performance and warehouse operations for DTE Energy.

Prior to joining DTE Energy, Tomczak was vice president of Purchasing for Tower Automotive, responsible for materials and services expenditures.

Tomczak earned a Bachelor of Science degree in Industrial Engineering from Purdue University and a Master of Science degree in Industrial Operations with distinction from Lawrence Technological University.

Tomczak was selected as 2019 Chief Procurement Officer of the Year by the National Minority Supplier Development Council. He also received the 2019 Community Leader Award from Results Mentoring. He is the 2018 chairman of the board of directors of the Michigan Minority Supplier Development Council and a member of the Utility Purchasing Management Group 2018 Executive Committee. In 2017, he was the chairman of the Electric Utility Industry Sustainable Supply Chain Alliance.
